SHOP & HOOKAH CATERING SERVICE

Our team has extensive professional experience in the hookah industry. With over 10 years of working with hookahs, we have been able to build a successful business in Ukraine. Currently, due to military actions, we have had to close all our projects in Ukraine.

Starting from May 2023, we have registered a company in the United States and are seeking partners for mutually beneficial cooperation.

## **ON BEHALF OF THE COMPANY, WE CAN GUARANTEE:**

- Professional customer service;
- Staff training and supervision;
- Ongoing quality control;
- Professional working equipment;
- Social media marketing;
- A range of the best aromatic flavors;
- Safe charcoal holders and much more.

We constantly monitor industry trends and promptly implement the best solutions into our processes. By working with us, you will receive cutting-edge and professional solutions in this field.
